

## Recommendation letter

I am writing to recommend the services of TOV "ADSY". ADSY has been working with us for the past 5 years as our advertisement partner. Their knowledge and attention to detail have aided in keeping our company on track during the recent recession and through a major restructuring.

I feel confident in recommending TOV "ADSY" IT services.

If you have any further questions, please feel free to contact me.

Regards,

SEMRUSH team
